The 7th national congress of Croatian Society of Physical and Rehabilitation Medicine, Croatian Medical Association (CSPRM) has been held in Šibenik, Croatia, 19-22 April 2018.

More than 400 participants PRM specialists, PRM trainees and others contributed to the sessions with 4 main topics: New technologies in PRM, Rehabilitation of patients with rheumatic diseases, Rehabilitation of patients with orthopaedic-traumatological diseases, Neuro-rehabilitation.

Distinguished invited speakers, including Prof. Maria Gabriella Ceravolo, Prof. Stefano Negrini, Dr. Carlotte Kiekens, Prof. Nataša Kos, Dr. Klemen Grabljevec and a number of academic professors from Croatia delivered the most up to date knowledge, within 46 oral and 66 poster presentations.

Two round tables - about Quality management in PRM and Cochrane Rehabilitation initiative were held, and the Memorandum of Understanding between CSPRM and Cochrane Rehabilitation field has been signed, making Croatian PRM Society first national scientific society in Europe and worldwide, to have signed this Memorandum of Understanding (please see photos).

Traditionally, Rehatlon race (1km and 5km) as well as other social events were excellent opportunity to renew old and establish new contacts, this time under the warm April skies and close to the beautiful beach and the sea.

The next congress in two-years time is already eagerly awaited, and we cordially invite you to join us.
